Report on Guest Lecture "Gender Equality"

Objectives of the Activity:

The aim of this activity is to celebrate National Girl Child Day (January 24) to raise awareness among people regarding inequalities, discrimination, exploitation faced by the girls in society.

Activity Details:

This online guest lecture was organized on **31st January 2022** for all students of Home Science as well as citizens of the society. **Dr. Ayodhya Pawal**, Assistant Professor, Department of Home Science, Arts and Science College, Shivajinagar, Gadhi, Dist. Beed, Maharashtra was the resource person. The speaker explained the concept of Gender Equality. According to her, the list of legislations as well as types of discriminations or inequalities may go on but the real change will only come when the mentality of men will change; when the male species of human beings would start treating women as equal and not subordinate or weaker to them. This lecture covering the rights a girl owns and to give them opportunities like everyone else, and to support the girl child of the nation and remove gender-based biases. It also calls for promoting awareness about the inequalities that a girl child faces and educate people about girl's education. The main focus is on changing society's attitude towards girls, decrease female feticide and create awareness about the decreasing sex ratio. Total 36 students as well as citizens participated in this special guest lecture.
