Two days International E- Conference on
"Frontiers in Microbiology"

(International E-Conference Report)

The international conference on "Frontiers in Microbiology" was held on 17th and 18th January 2022, organized by the Department of Microbiology & IQAC, Vasantdada Patil Arts, Commerce & Science College, Patoda Dist. Beed (MS) India. The delegates and researchers from 56 Colleges & Different Universities all over India and abroad have participated in the conference. The theme of the conference was medical microbiology, industrial microbiology, agricultural microbiology, environmental microbiology.

Two days International E- Conference

Day I (17/01/2022 at 09:15 am onward)

Lamp lighting was held in the presence of Dr. Baliram Rakh (Chief Convener, In charge Principal, Vasantdada Patil Arts, Commerce & Science College, Patoda Dist. Beed (MS) India) & Dr. A.M. Deshmukh, (President, Microbiologist society, India) inaugurated the conference. An introductory speech was given by Dr. Abhay Kshirsagar (Convener, Head, Department of Microbiology, Vasantdada Patil Arts, Commerce & Science College, Patoda Dist. Beed (MS) India) followed by a keynote address by Dr. A.M. Deshmukh. Dr. A.M. Deshmukh gave a brief review of the present scope of research with various aspects of microbiology. He also explained the importance of microbiology and congratulated all members of the organizing committee. Dr. Manoj Kumar Prakash (IQAC Coordinator & P.G. Director, Vasantdada Patil Arts, Commerce & Science College, Patoda Dist. Beed (MS) India) gave presidential address & compering was done by Dr. Mahesh Akolkar ((Joint Organizing Secretary, Laboratory Scientific Officer, Asst. Director Health Services, Latur (MS) India)

After the inauguration, there was 3 invited talk by an eminent scientist. The first invited talk was given by Dr. Ullas Patil (Professor & Head, Department of Microbiology, Government

institute of science, Aurangabad (MS) India) on "Realizing the potential of seventh sense in amid pandemics". The session was chaired by **Prof. V.S. Hamde** (Department of Microbiology, Yogeshwari Mahavidyalaya, Ambajogai Dist. Beed (MS) India) & compering was done by **Dr. Manjushri S. Zagare** (Joint Organizing Secretary, Department of Microbiology, Vasantdada Patil college, Beed (MS) India).

In the second invited talk, **Dr. Abdulla Mohammad Shohael** from Dept. of Biotechnology & Genetic Engineering, Jahangirnagar Savar, Dhaka, Bangladesh focused different aspects on "Molecular Characterization of extended- spectrum β -lactamase (ESBL) Producing E.coli from fecal sludge treatment plants (FSTPs) in Bangladesh". For this session, **Prof. Prakash Thorat** (Ex Principal, Shri Shivaji Mahavidyalaya, Barshi, Solapur (MS) India) was present as a chairperson & compering was done by **Dr. Amarja H. Bhosale** (PG Department of Microbiology, Vidya pratishthan's Arts, Science, and commerce college, Baramati. Dist. Pune (MS) India).

The third invited talk was given by **Dr. Manish Kumar** from Amity Institute of Biotechnology, Amity University Gwalior (MP) India. On "Genomics and Metagenomics approaches revealing plant growth-promoting microbes". This session was chaired by **Dr. Arunima Biswas** (Department of Microbiology, Raidighi College, West Bengal, Kolkata, India) & compering was done by **Dr. Amarja H. Bhosale**.

The next session of the first day was an oral presentation, there were 4 sub-session in this session, each session was for one hour. There were 4 participants in this session who gave an oral presentation in 10 minutes, 3 minutes discussion, and 2 minutes to attach PPT (Total time 1 hour & 15 minutes for each student).

Name of participants & oral presentations in the first sub-session 1. **Anand Santosh Panditkar** title of the presentation "Importance of Microbiologists: Microbiologists are essential in helping us to treat diseases. Many work as biomedical scientists in hospitals and laboratories: testing samples of body tissue, blood and fluids to diagnose infections, monitor treatments or track disease outbreaks" 2. **Debulman Syiemiong** title of the presentation is "Plant growth promotion of tomato by Actinobacteria isolated from rhizospheres of *Ageratina Riparia* (Regel.) King & Robinson and *Rubus ellipticus* Smith growing in the state of Meghalaya" 3. **Dr. Sunil Radhakrishin Jagiasi** title of the presentation is "Isolation and screening of Reactive green 19 decolorizing diazobacteria" 4. **Rupali Subhash Rade** title of the presentation "Utilization of

regional Jawar agro-waste for compost: sustainable approach" this sub-session was chaired by **Prof. Ullas Patil** & compering was done by **Mrs. Vrunda V. Kulkarni** (Head, Science Department, Padmashri Sumatibai English Medium College, Solapur (MS) India)

Name of participants & oral presentations in the **second** sub-session **5. Amit D. Kulkarni** title of the presentation "Development of Microphos by using alkaliphilic actinomycetes as efficient bioinoculent" **6. Sinjini Datta** title of the presentation "Groundwater nitrate pollution" **7. Dr. Atreyi Ghosh** "Biosynthesis and characterization of gold nanoparticles and its antibacterial activity against *Brevibacillus* sp." **8. Amruta Sunil Shete** title of the presentation "In Vitro Comparative Study Of Allopathic And Ayurvedik Antifungal Eye Drops On Fungal Isolates Causing Mucormycosis In Postcovid Patients" this sub-session was chaired by **Mr. Jeetendra A. Kulkarni** (Head, Department of Biotechnology, Dr. Babasaheb Ambedkar Marathwada University, Sub-campus, Osmanabad (MS) India) & Compering was done by **Mrs. Vrunda V. Kulkarni**.

Name of participants & oral presentations in the **third** sub-session **9. Dr. Deepak Bhusare** title of the presentation "Rhizospheric microorganism: Need to preserve" **10. Dr. Prasanna Srinivas R.** title of the presentation "Isolation of rhizosphere and endophytic fungi from *Basella Alba*, its antibacterial activity and screening of compounds" **11. Omprakash Apparao Kadam** title of the presentation "Prevalence of multiple antibiotic resistant *Escherichia coli* isolated from drinking water resources in Painganga River." **12. Mr. Manish Bhairavram Kohli** title of the presentation "Screening of different plant leaves for protease inhibitors and antimicrobial activity" this sub-session was chaired by **Dr. Rakesh U. Thakare** (Head, Department of Microbiology, Yaswantrao Chawhan College Lakhandur, Dist. Bhandara (MS) India) & Compering was done by **Mr. Pandurang B. Pawar** (Head, Dept of Microbiology, Shri Vyankatesh Art's and Science College Deulgaon Raja, Dist. Buldhana (MS) India).

Name of participants & oral presentations in the **last** sub-session **13. Dr. Renuka Dattatraya Joshi** title of the presentation "Screening of phosphate solubilizing endophytic bacteria from Maize plant" **14. Dr. Amarja H. Bhosale** title of the presentation "Decolourization and degradation of textile dyes by bacteria" **15. Dr. Arunima Biswas** title of the presentation "Antioxidant and antimicrobial activity of Sundarban honey" **16. Reetika Saratkar** title of the presentation "Studies on development of antimicrobial formulation and evaluation of their wound

healing activity on diabetic animals" this sub-session was chaired by **Dr. Krishna Vasudevrao Bartakke** (Head, Department of Microbiology Swa. Sawarkar Arts, Science and Commerce College, Beed (M.S.) India) & Compering was done by **Mr. Pavan M. Kadam** (Head, Dept of Chemistry, Shri Vyankatesh Art's and Science College Deulgaon Raja, Dist. Buldhana (MS) India).

For oral presentations, 19 researchers registered for presentations but 16 participants participated in oral presentations on different topics.

Day II (18/01/2022 at 09:30 am onward)

The second day started with the first invited talk by Dr. Dhiraj Kumar Nanda from Department of Microbiology, School of Biological Sciences, AIPH University, Bhubaneswar-Odisha, India on "**Molecular approaches for identification of agriculturally important microorganisms**". The session was chaired by **Dr. S. Shanmugam** (Head, Department of Microbiology, Government Arts and Science College, Gudalur, The Nilgiris Tamilnadu, India) & compering was done by **Mrs. Vrunda V. Kulkarni**.

In the second invited talk, Dr. Sanket Joshi from Deputy Director, Oil & Gas Research Center, Sultan Qaboos University, Oman focused different views on "**Recent advance in petroleum microbiology**". For this session, Prof. Anil Prakash (Professor and Head, Department of Microbiology, Barkatullah University, Bhopal, India) was present as a chairperson & Compering was done by Dr. Amarja H. Bhosale

The third invited talk was given by **Dr. Nagendra Thakur** from Department of Microbiology, Sikkim University, Sikkim, India on "**Extreme biology of sikkim himalayas**". This session was chaired by **Dr. Flery Parera** (Associate Professor, Department of Microbiology, UG and PG level. P.E.S's R.S.N.College of Arts and Science, Ponda, Goa, India) & compering was done by **Dr. Anil P. Narsinge** (Department of Microbiology, Yogeshwari Mahavidyalaya, Ambajogai Dist. Beed (MS) India)

The next session of the second day was poster presentation, there were **4 sub-session** in this session, each session was one hour long. There were 8 participants in this session who gave a poster presentation. Each participant was given 4 minutes for presentation, 2 minutes of discussion, and 1 minute to attach PPT (Total time 1 hour & 7 minutes for each student).

Name of participants & poster presentations in the **first** sub-session 1. **Amrita Gupta** title of the poster "Molecular diversity analysis of salt tolerant rhizospheric bacteria in wild sugarcane (*Saccharum spontaneum*) growing in salt affected areas". 2. **Mr. Nikhil Vasant Funde (Co-workers)** title of the poster "Control of antibiotics resistance" 3. **Ayesha Khanam Asif Khan** title of the poster "Isolation and identification of antibiotic producing microorganisms from soil". 4. **Mr. Gajanan Motiram Shinde** title of the poster "Exploring a combined approach, treatment with bacterial isolate and physical process for bioremediation of textile effluent". 5. **Rashmi Vijay Dhanure (Co-workers)** title of the poster "Bioterrorism and biowar". 6. **Lacey Phurailatpam** title of the poster is "Isolation and screening of bacterial endophytes from *Piper longum* L. for various plant growth-promoting traits". 7. **Pawar Sushil Devidas** title of the poster is "Biofertilizer production". 8. **Karlekar Neha Mukund Rao** title of the poster "Organic farming" this sub-session was chaired by **Prof. Prashant Wakte** (Prof. & Head, PG & Research Centre, Dept. of Microbiology, DSM College, Parbhani, (MS) India) & compering was done by **Dr. Pramod Shahjee Phatak** (Department of Chemistry, Late Pushpadevi Patil Arts and Science College Risod Dist. Washim).

Name of participants & poster presentations in the **second** sub-session 9. **Miss. Ruddhi Rajendra Jagtap** title of the poster "Effect of growth-promoting rhizobacteria on medicinal plant". 10. **Bhagyashree Rahul Sharma** title of the poster "Medical microbiology (The fastest, cheapest and most reliable system for gene editing)". 11. **Mamatha Shivalingegowda** title of the poster is "Antioxidant activity, phytochemical and TLC profiling of *putranjiva roxburghii* wall leaf extracts". 12. **Tejasvi Balasaheb Akat** title of the poster "Type of coronavirus vaccine". 13. **Dange Vivek Yuvraj** title of the poster "Bioplastic production from Potato". 14. **Priyanka Rajendra Tambe** title of the poster "Post Covid Mucormycosis". 15. **Galdhar Rohan Balasaheb** title of the poster "Pocket lab". 16. **Kolhe Shweta Prashantrao** title of the poster "Bioremediation" this sub-session was chaired by **Dr. Narsinge Anil Panditrao** & compering was done by **Dr. Radhakrishna Shahu Sutar** (Dept. of Chemistry, R. P. College Osmanabad (MS) India)

Name of participants & poster presentations in the **third** sub-session 17. **Rajni Yadav** title of this e- poster is "Screening and Evaluation of Plant Growth Promoting Cyanobacterial Isolates from Freshwater Ponds and Soil Ecosystem". 18. **Isha Dilip Sangtani** title of the poster

"Opportunities in Medical and Clinical Microbiology". 19. **Harshada Pravin Kubal** title of the poster is "r-dna technology". 20. **Akanksha Vilas Kadam** title of the poster is "Breast milk for baby immunity". 21. **Vaibhav Parmeshwar Natkar** title of the poster "Isolation and Screening of Amylase producing bacteria from soil". 22. **Ansari urfiya Nausheen Md. Yusuf** title of the poster is "Coronavirus and their variants". 23. **Ashlesha Milindrao Kallambkar** title of the poster "Covid-19". 24. **Bedarkar Nikita Chandrakant** title of the poster "Plastic Degradation by Bacteria" this sub-session was chaired by **Dr. Deepak U. Bhusare** (Department of Microbiology, D.B. ACS College, Bhokar, Dist. Nanded (MS) India) & compering was done by **Dr. Sanghratna Laxman Kasare** (Department of Chemistry, Late Shankarrao Gutte Sr College Dharmapuri Tq Parli, Dist Beed (MS) India)

Name of participants & poster presentations in the last sub-session 25. **Sasane Ankita Prakashrao** title of the poster "Liquid biofertilizer and biopesticide" 26. **Avantika Sambhaji Kamble** title of the poster is "Food and health". 27. **Yogita Santosh Pednekar** title of the poster "Organic Farming". 28. **Shinde shital Parmeshwar** title of the poster is "Immunity and their types". 29. **Dr. Mahesh Dan** title of is the poster "Bacteriological profile and antibiotic sensitivity pattern among lower respiratory tract infections patients attending tertiary care health center Jhalawar". 30. **Kshitija Narkar** title of the poster "Life cycle of Corona". 31. **Shambhavi Suhas Patil (Co-workers)** title of the poster "Sterilization Techniques". 32. **Subhedar padmaja Abhay** title of the poster "H1N1 swine flu" this sub-session was chaired by **Dr. S. L. Gutte** (Department of Microbiology, Mrs. K.S.K College, Beed (MS) India) & compering was done by **Dr. Pravin Sunil Patil** (Dept. of Chemistry, Mahatma Basweshwer College, Larur (MS) India)

Totally 38 researchers registered for poster presentation but out of which 32 participants presented their poster. The last session was of poster presentations in which 32 researchers from different states gave their poster presentations on different topics.

In the valedictory function, **Dr. R. S. Awasthi** (Principal, Shivaji Mahavidyalaya, Renapur Dist. Latur (MH) India), **Dr. R. D. Joshi** (Principal, Yogeshwari Mahavidyalaya, Ambajogai Dist. Beed (MH) India), and **Dr. Abasaheb Hange** (Chief Convener, Principal, Vasantdada Patil Arts, Commerce & Science College, Patoda Dist. Beed (MS) India) were present as guests of honor. Dr. Awasthi gave a valedictory speech and expressed his views regarding this conference, he told that such conferences give a platform to the researchers. Dr. Awasthi and Dr. Joshi declared the winners

of the oral and poster competition. **Dr. Pradeep Ghumbre** (Organizing Secretary, Department of Microbiology, Vasantdada Patil College, Patoda Dist. Beed (MS) India) expressed his deep thanks to all delegates, researchers, and participants. He told that 171 participants from all over India participated in the conference and 5 participants from different countries like Nepal, Bangladesh, Uganda, South Africa, and the United States participated in the conference.

Total 176 participants registered for this conference. Out of which 19 participants took part in an oral presentation, while 38 in poster presentations. 16 participants sent full length paper while 20 participants sent abstracts for publication. This was a unique conference, as the sessions were compered (Anchored) by the faculty from different colleges. The total fee received through registration was 63,800 /- and the total expenditure for the conference was 64,052 /-. The remaining Rs. 252 /- were sponsored by Microbiologists Society, India. Thus dreams come true, as earlier organizing committee decided to organize zero budget conference, Dr. Abhay Kshirsagar (convener), Dr. Pradeep Ghumbre (Organizing Secretary), Dr. Mahesh Akolkar (Joint Organizing Secretary), Dr. Manjushri Zagare (Joint Organizing Secretary) took much efforts to make this conference successful and zero budget.

9:30 am to 10:00 am Leading Speech

Dr. A.M. Deshmukh (President, MSI)

1ST Session

10:10 am to 10:50 am

Resource Person

"Microbial aspects for the control pollution"

Dr. S. G. Gupta

Head, Dept. of Forensic Science, Dr. Babasaheb Ambedkar

Marathwada University, Aurangabad (MS) India.

2ND Session

11:00 am to 11:40 am

Resource Person

"Molecular Characterization of Extended-

Spectrum β -lactamase (ESBL) Producing

E.coli from faecal sludge treatment plants

(FSTPs) in Bangladesh"

Dr. Abdulla Mohammad Shohael

Dept. of Biotechnology & Genetic Engineering,

Jahangirnagar Savar, Dhaka, Bangladesh.

3rd Session

11:50 am to 12:30 pm

Resource Person

**"Genomics and Metagenomics Approaches
Revealing Plant Growth Promoting Microbes"**

Dr. Manish Kumar

Amity Institute of Biotechnology, Amity University
Gwalior (MP) India.

4th Session

01:00 pm to 5:30 pm

Oral Presentation

Day II

1st Session

09:30 am to 10:10 am

Resource Person

**"Molecular Approaches for Identification of
Agriculturally Important Microorganisms"**

Dr. Dhiraj Kumar Nanda

AIPH University, Bhubaneswar, Odisha, India.

2nd Session

10:20 am to 11:00 am

Resource Person

"Recent advance in petroleum microbiology"

Dr. Sanket Joshi

Deputy Director, Sultan Qaboos University, Oman.

3rd Session

11:10 am to 11:50 am

Resource Person

"Extreme Biology of Sikkim Himalayas"

Dr. Nagendra Thakur

Department of Microbiology, Sikkim University, Sikkim, India.

4th Session

12:30 pm to 4:30 pm

Poster Presentation

History - PATODA

- Patoda is a Taluka place in Beed District of Maharashtra State, India. It belongs to Marathwada region.

- Paramount Solar Park is a solar energy park in Patoda. It is the largest private-sector solar park approved by the Solar Energy Corporation of India (SECI) under Jawahar Lal Nehru National Solar Mission in India. The park is spread over 2,600 acres (11 km²). The park is proposed to have a capacity of 500 MW.

- God Gahinmath Garh temple near the Patoda.

- Sautiada is located at Sautiada village near Patoda taluka. Rameshwar temple of Lord Shiva is also near the natural waterfall. The beautiful place crystal clear water, dense forests all around, making it a serene place. Tourists visit here to enjoy the view of the waterfall and appreciate nature.

- Mayur means Peafowls. Peacock is India's national bird and Nayaon sanctuary is a home for the beautiful bird. Place among the village of Patoda in Beed district, this hilly sanctuary is full of avoid fauna & flora

About Navgan Shikshan Sanstha of Rajuri (NSSR)

Navgan Shikshan Sanstha of Rajuri (Navagan) is a reputed institution in education field in Beed district. It is proved to be an institution providing quality education in rural and urban area. It was established in 1963 by Late Mrs. Kesharbai Kshirsagar alias 'Kaku', former Member of Parliament. Her vision and insight made the small seed grow into a huge tree encompassing thousands of students of rural and remote area of Beed district seeking primary to higher education.

About College

Navgan Shikshan Sanstha started Vasantdada Patil Arts, Commerce & Science College (Previously known as) Padmabhushan Vasantdada Patil College, at Patoda in July 1989 to create awareness of educational, social, political and economic development amongst labors, farmers, and deprived people of Patoda region, which is an interior and drought prone area. After completion of a successful journey of around 32 years, our institution has earned grand popularity not only in Marathwada region but throughout the state. We are proud to be known as the best institution in rural area that provides ample infrastructure facilities and quality higher education to especially deprived class of rural society.

Invitation

We are pleased to invite you for two days' International E-Conference on 17th & 18th January, 2022 organized by Department of Microbiology and Microbiologists Society, India.

Poster Presentation

Poster will be presented in a single PPT slide format. Each presentation will have limitation of 4 minutes and 1 minute discussion.

Oral Presentation

Oral presentation will be presented in not more than 8 PPT slides format. Each presentation will have limitation 8 minutes and 2 minutes discussion.

Call for Abstract

The International E-Conference invites abstracts from delegates. Title should be bold. Abstract (not more than 300 words) should be prepared using Times New Roman (font size - 12 & line spacing should be 1.5).

Call for full length paper

Full paper should be in Times New Roman font for English (font size - 12 & line spacing should be 1.5). The words limit for the article will be 1500 to 2000 must be written in English as Microsoft word format. Title should be bold. All accepted papers will be published in Peer reviewed journal. Hard copy of the journal & certificate will be sent on the postal address provided by the participant.

Abstract / Full length paper may strictly be submitted via E-mail at microconf@gmail.com till 10th January, 2022.

Outstanding presenters will be rewarded by prize.
