Date: 7 October 2026

Time: 11:00 a.m.

Venue: Department of English

The Department of English organized an Alumni Meeting on 7 October 2026 at 11:00 a.m. in the Department of English. The meeting aimed to strengthen the relationship between the department and its former students, promote interaction between alumni and current students, and seek suggestions for the academic and professional development of the department.

The meeting began with a warm welcome to the alumni members by the Head of the Department. The alumni shared their experiences regarding higher education, employment opportunities, communication skills, and professional development. They discussed the importance of English language proficiency, soft skills, personality development, and interview techniques in achieving academic and career success.

The alumni also offered valuable suggestions for improving teaching-learning practices and organizing various academic and co-curricular activities. The discussion highlighted the need to develop students' communication skills through seminars, group discussions, presentations, debates, and other practical activities. The participants expressed their willingness to maintain contact with the department and extend their support and guidance to current students whenever possible.

The meeting provided a useful platform for exchanging ideas, sharing experiences, and strengthening the bond between the department and its alumni. The suggestions received during the meeting will help the department plan future activities and enhance the overall academic experience of students. The meeting concluded with a vote of thanks to all the alumni members for their valuable participation, suggestions, and continued association with the Department of English.

Outcome of the Meeting:

1. Strengthening the relationship between the department and its alumni.
2. Encouraging alumni participation in departmental academic activities.
3. Promoting communication skills, soft skills, and career-oriented guidance for students.
4. Collecting suggestions for improving the quality of teaching and learning.
5. Developing a stronger alumni network for the future development of the department.
