Avishkar Annual Report 2025-2026

Report of Achievement in Central Youth Festival

Vasantdada Patil Arts, Commerce and Science College, Patoda, has achieved remarkable success at the Central Youth Festival organized by Dr. Babasaheb Ambedkar Marathwada University, Chhatrapati Sambhajinagar. The college secured the First Prize along with a Gold Medal, bringing immense pride to the institution and the surrounding region.

Students from the college actively participated in the festival, where institutions from four districts showcased innovative projects and research models. The team from Vasantdada Patil College prepared and presented an impressive and forward-looking model on "Solar Charging Railway Station, Magnet Gravity, and Solar Panel System." This project emphasized practical solutions for coal conservation and electricity saving, while also demonstrating the potential of operating railway systems using solar energy in the future.

The model received widespread appreciation for its creativity, scientific approach, and relevance to sustainable development. The exceptional performance of student Mr. Akshay Jagtap, along with the dedicated guidance of Avishkar Committee Coordinator Prof. Hanuman Khetri, played a pivotal role in achieving this distinction.

This achievement reflects the institution's strong commitment to fostering research-oriented learning, innovation, and excellence. The college community remains optimistic and looks forward to achieving further success at the state level.
