## SCIENTIST OF THE YEAR 2017 AWARD

upon

**Dr. Kale Mahadeo Kisanrao**

On the occasion of 4th International Conference on  
Environment and Ecology held on 12-13-14 February 2017  
at Gauhati University, Guwahati, Assam, India.

This award has been instituted for a selected few accomplished persons engaged to guide the human race living in a historic transitional period of burgeoning of the conflict between human activities and environmental constraints. venture into a new millennium and to finally help save the fragile and planet with the natural resources already overtaxed. The recipient of this award will also help in developing a neological and neocratic approach to education for reducing the toll that the World citizenry exact in supporting the ever growing problems and exerting profound pressures on the Mother Earth.

On the occasion of 4th International Conference on Environment and Ecology held on 12-13-14 February 2018 at Gauhati University, Guwahati, Assam, India.

This award has been instituted for a selected few accomplished persons enabling them to guide the human race living in a historic transitional period of burgeoning awareness of the conflict between human activities and environmental constraints, preparing to venture into a new millennium and to finally help save the fragile and endangered planet with the natural resources already overtaxed. The recipient of this award will also help in developing a neological and neocratic approach to environmental education for reducing the toll that the World citizenry exact in supporting daily life and the ever growing problems and exerting profound pressures on the Mother Earth.
