Guidelines for Registration:

All academicians, Research Scholars, UG, PG Students can participate in the conference.

For Registration click this link

<https://forms.gle/Zt6dwwrEUW1b9xwE6>

and fill the google form and upload the relevant receipt of payment.

Registration Fees

Faculty: 450/-
Students / Research Scholar: 250/-

Registration fees will be accepted online

Account Details for Conference Fee Payment:

Account No.: 110140610136

IFSC Code : CNRB0015150

Bank Name : CANARA BANK

Branch Name : Jalna Road, Beed

Phone Pe No : 9579867587

You can also Scan this QR Code for making payment

Call for Papers

The participants are invited to submit their papers based on original, Plagiarism free and AI free papers in MS-Word format, font size 12 and Times New Roman Font, not exceeding 250 words. E-mail your paper on ralsmbrd@gmail.com. Hard copy will not be accepted. Send papers till registration date i.e. up to 8th March 2025. Selected papers, those scrutinized will be informed for oral or Power Point / poster presentation.

About the Conference

The conference organized on “Recent Advances in Plant Sciences and Molecular Biology for Rural Development” is important not only for the majority of the population who live in rural regions but also for the nation's overall economic growth. Rural growth is believed to be of higher importance in the country today than it was in the past in the process of the nation's growth. It is a strategy aimed at achieving increased productivity, greater socio-economic equality and aspiration, and stability in economic and social development through the Plant Sciences and Molecular Biology. Plants are important as they supply food, shelter, medicine, pure oxygen for life, cleaner environment etc. required for survival of mankind. The skills and knowledge of plant science and related technologies are always needed worldwide, helping farmers to Environmentalists to doctors. This conference is basically focused on the new inventions as well as the process development, in plant sciences and their application for human welfare. It is conceptualised to provide a shared forum for researchers, and academicians to discuss the current state of the plant science molecular biology technologies for rural development.

Theme of the Conference:

Plant sciences
Plant microbiology: Phycology and Mycology
Cytogenetics and Molecular Biology
Plant Biochemistry
Soil and Crop Sciences
Plant Pathology and Disease Management
Plant Tissue Culture
Plant Molecular Biology
Ethno botany, Phytochemistry and Pharmacognosy
Seed Science and Technology
Medicinal and Aromatic Plant Sciences
Taxonomy and Systematics
Plant Anatomy and Morphology
Production and Application of Microbial Metabolites
Enzyme Technology
Food Processing Technology
Crop Pathology
Recent Trends in Microbiology
Plant Microbes
Entomology
Animal Biodiversity
Protozoology
Parasitology and its advances
Endocrinology
Aquaculture and Fishery Science
Apiculture and its advances
Sericulture-Boon for Agriculture and Farmers
Wild-life and its conservation
Environmental Impact On biodiversity
Aquatic pollution

Invitation:

Dear friends, it gives us immense pleasure to invite you to participate in the Dr. B.A.M.U Chh. Sambhajinagar sponsored one day National Conference on “**Recent Advances in Life Sciences and Molecular Biology for Rural Development**” organized by Department of Botany, Microbiology and Zoology of Vasantdada Patil Arts, Commerce & Science College, Patoda, Dist. Beed on 11th March 2025.

Venue

Vasantdada Patil Arts, Commerce and Science College,
Patoda, Dist. Beed - 414204 / Time : 10.00 am

The Institution

Navgan Shikshan Sanstha Rajuri (N) is a reputed Institution in education field in Beed district. Institution provides quality education in rural area. Our institution was established in 1963 by late Sau. Kesharbai Kshirsagar alias Kaku, Ex-Member of Parliament. Her vision and in sight made the small plant grow into a huge tree in Beed district. Her noble work of extending primary to higher education and other streams, especially in rural and urban area catering the needs of poor and neglected in society is still prevalent

About the College

Vasantdada Patil Arts, Commerce & Science College, Patoda was established in 1989 with the motto “EDUCATION FOR ENLIGHTENMENT”. The college imparts quality education in Arts, Science, Commerce, and Computer Science in undergraduate. Fourteen Course in at post graduate level and one branch of Management Science. Our college is reaccredited by NAAC Bangalore and obtained “B” grade. Patoda is a taluka in Beed district in Marathwada region of Maharashtra. It is located on Beed – Ahilyanagar highway and connected to outer world by 45 km from Beed, 115 km from Ahilyanagar, 190 km from Chh. Sambhajinagar and 200 km from Solapur. Patoda taluka is popular for Peacock (National Bird Sanctuary) at “NaigaonMayur”. The Sanctuary is near about 17 to 18 km from Patoda. Various species of Peacock are inhabited in this sanctuary and the area is described as hilly. Village Sautada is popular for waterfall and Lord Shiva's temple.
