About the Book

The working of government rests on two pillars – political and permanent executive. The smooth working of this system depends on the harmonious relationship between the two. In recent years, however, the administrative and political environment has changed which has produced tensions in the mutual relationship of the two groups. This text helps to understand the meaning and role of bureaucracy and then analyses the relationship between the political executive and bureaucracy and finally identifies the recommendations of Administrative Reforms Commission for streamlining the relationship between the minister and the civil servants and reflect upon the present scenario in India in this respect. This book is a must read for students and teachers of Political Science. A huge source of reference this book is very useful to all libraries.
