ENVIRONMENTALIST OF THE YEAR 2018 AWARD

upon

Dr. Kale Mahadeo Kisanrao

*Vasant dada Patil Arts, Science and Commerce College,
Patoda, Beed, Maharashtra*

with all the rights and privileges appertaining thereto.

Given on the occasion of 5th International Conference on Environment and Ecology held on 18-19-20 February 2019 at Christ College, Pune, Maharashtra, India.

This award has been instituted for a selected few accomplished persons enabling them to guide the human race living in a historic transitional period of burgeoning awareness of the conflict between human activities and environmental constraints, preparing to venture into a new millennium and to finally help save the fragile and endangered planet with the natural resources already overtaxed. The recipient of this award will also help in developing a neological and neocratic approach to environmental education for reducing the toll that the World citizenry exact in supporting daily life and the ever growing problems and exerting profound pressures on the Mother Earth.
